

Tough enough for any road.

Introducing the GEOLANDAR H/T G056, the latest in tire innovation for trucks and SUVs. Equipped with new technologies for long treadlife and all-season traction, there's no tire that works harder. This highway terrain tire is engineered to stay on the road thousands of miles longer and provide exceptional all-weather handling.

GEOLA

.

TRUCKS & SUVs

The GEOLANDAR G056 is designed specifically for for trucks and SUVs.

DURABILITY

Delivers outstanding durability for vehicles that carry heavy loads, even at highway speeds.

LONG TREAD LIFE

Up to 115,000 km limited treadwear.

ALL-SEASON TRACTION

Advanced compound provides solid grip in wet and winter conditions and Triple 3D sipes provide more biting edges for better traction throughout the life of the tire.

QUIETER RIDE

Five-Pitch Tread Variation reduces noise by varying block size and shape throughout the tread.
